MISSION OPPORTUNITIES AROUND THE WORLD

TOP 20 LOCATIONS

ONE MISSION,
MULTIPLE AGENCIES,
ENDLESS POSSIBILITIES.

the SENDING COLLECTIVE CANADA

The Sending Collective was born out of a simple conviction: **we can mobilize better together than we can alone.**

We are a community of like-minded mission agencies working together with a shared purpose, helping the Canadian Church engage in God's global mission. We believe collaboration allows us to open more doors, connect more people, and create more pathways for those who sense God leading them to serve.

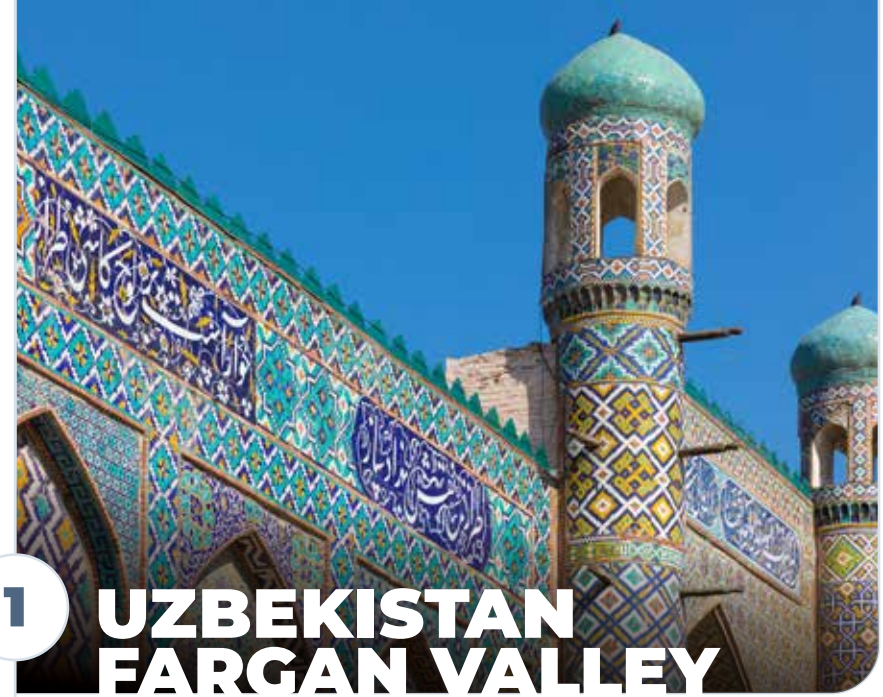

MULTIPLE AGENCIES. ONE MISSION. ENDLESS OPPORTUNITIES.

Together, we seek to bring Christ to the nations and see gospel transformation among communities where Christ is not yet worshiped.

By combining our experience, relationships, and opportunities, we want to help individuals and churches discover where they fit in God's mission and equip them to take their next step. We are collaborative, not competitive.
